**HR that Makes a Difference™**

Employee self-service

## Powered by isolved

The isolved self-service adaptive employee experience empowers your employees to control information such as pay, time, attendance, benefits and personal information anytime from any device, improving efficiencies and reducing the burden on HR.
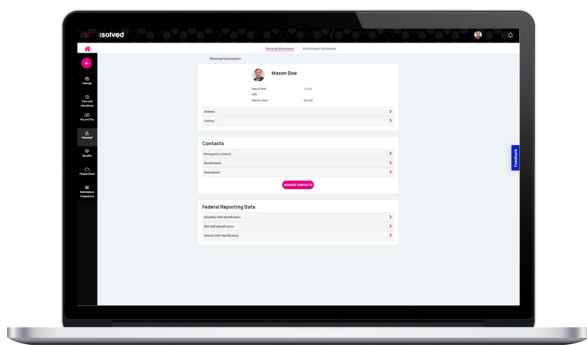

As a connected platform, it streamlines and effortlessly navigates the employee journey.

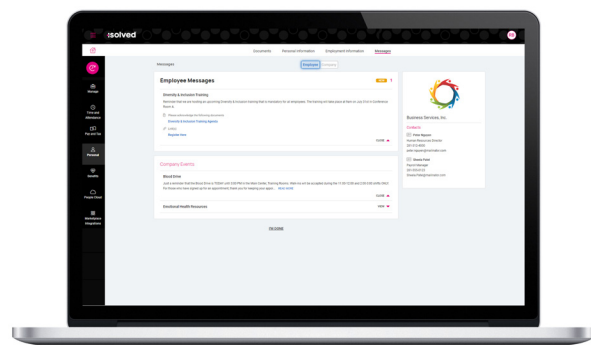

Employees can access company policies and documents.

Employees can enroll for benefits anywhere, anytime.

Employees manage their personal information; optional workflow to managers and employees for approval.

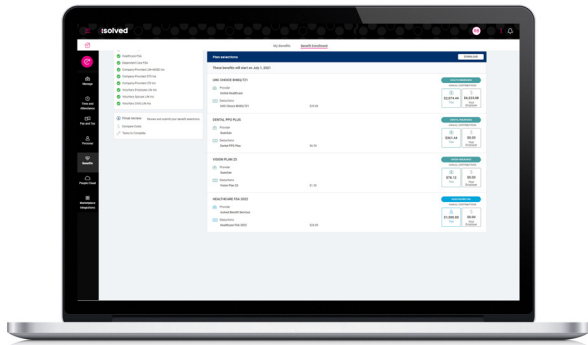

Streamline communication between employees, managers and HR.

Employees can view and print check stubs and their W-2s online – saving your HR and payroll staff time.

Employees can view company events online.

Employees can view their current benefit elections and plan summaries.

The Insperity® Workforce Acceleration™ solution offers isolved Employee Self-Service. Our comprehensive human capital management platform integrates your workforce management processes – payroll, HR administration, benefits and time tracking – with a level of service and attention that comes from more than 30 years in the industry.
