

# Powerful employee perks – at your fingertips

## TAKE ADVANTAGE OF YOUR FREE MEMBERSHIP

When you sign up for the Insperity Perks+™ program, you can start enjoying the many features of this dynamic financial wellness offering, such as:

- Easy access to fee-free banking with a Perks+ debit card\*
- Direct deposit your payroll for quick access to your money on payday
- Use of 37,000 ATMs nationwide
- Discounts, cash back and rewards through a robust online platform (or via the app)
- Physical and virtual cards and mobile wallet integration for easy online payments
- Using your Perks+ card to pay for everyday purchases, entertainment and travel on the Perks+ Marketplace or anywhere you shop online or in-store

## CONVENIENCE

You can set up direct deposit of your paycheck directly to your Insperity Perks+ card, request both a physical and virtual card – and even add the virtual card to your mobile wallet. However you choose to use your card, your funds are never far away.

## FREEDOM

Tap into perks powered by one of the most expansive online discount platforms in the nation. You'll be eligible for discounts and cashback incentives on dining, shopping, events and attractions, travel, health and wellness and more.

### ACTIVATING YOUR MEMBERSHIP IS EASY

- 1** Go to:  
[platform.accesswages.com/login/insperity](https://platform.accesswages.com/login/insperity)
- 2** Fill in the information using the same email address you use for your employee portal. Click on **“Create an account.”**
- 3** Click on the link in the activation email you will receive.
- 4** Access the Insperity Perks+ platform at [platform.accesswages.com/login/insperity](https://platform.accesswages.com/login/insperity) or download the mobile app.

\* Employees who activate membership in the Insperity Perks+ program are eligible to apply for the Insperity Perks+ card.

Multikrd is a financial technology company and not a FDIC-insured bank. Checking accounts and the Insperity Perks+™ Visa Debit Card are provided by Lewis & Clark Bank, Member FDIC. Funds deposited into the checking account may be eligible for up to \$250,000 of FDIC insurance. The FDIC's deposit insurance coverage only protects against the failure of a FDIC-insured depository institution.

Note: You will receive communication from our third-party vendor, Multikrd, regarding your membership.
